- 
1. Who is the fox?  
 Nick  
 Meg  
 Wes
  2. How many pigs are sick?  
 two  
 six  
 ten
  3. Rex the dog has a \_\_\_\_\_.  
 bad leg  
 sick pig  
 bad neck

Write five short e words from the story.

Short e Words

# Stick Bugs

Can you spot a bug on this stick?

It is a trick! The stick is a bug!

Stick bugs look like sticks and stems.

Stick bugs will snack on grass.

Stick bugs will drop skin off.

This lets stick bugs get big.

Stick bugs can hiss.

Stick bugs can spit glop at bugs.

If stick bug glop hits a bug, the bug can not see.

Plus, stick bug glop smells bad!

Stick bugs can snap off legs to get away.

- 
1. What do stick bugs spit?
    - skin
    - glop
    - stems
  2. How does a stick bug get away?
    - The stick bug will hiss.
    - The skin drops off.
    - The legs can snap off.
  3. What does the glop do to a bug?
    - The bug can not see.
    - The bug's skin drops off.
    - The bug's legs snap off.

# Jake Has a Pet Snake

Jake has a pet snake. His snake's name is Blake.

Most pet snakes are tame and safe. Blake is tame, too.

Jake's pal is Kate. Kate hates snakes!

"This is a big snake. Will it escape?" Jake tells Kate it is safe.

Kate asks, "What does it eat?" Jake says it just eats little things.

Kate is brave. She taps on the glass. Blake the snake is awake!

Kate and Jake take off the lid. Kate looks at Jake. Blake makes a funny hiss.

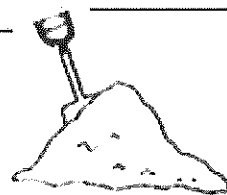

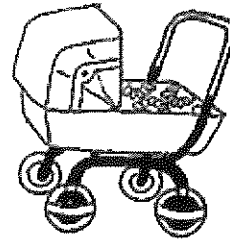

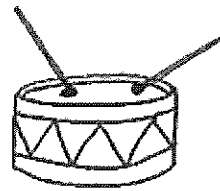

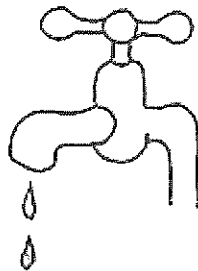

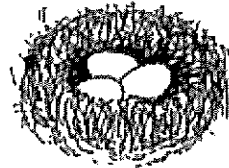

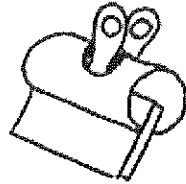

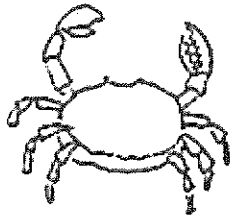

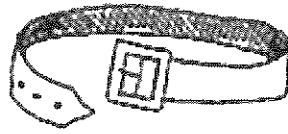

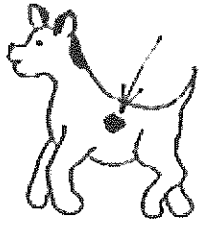

That is Jake's snake!

- 
1. What is the pet snake's name?
    - Blake
    - Kate
    - Jake
  2. What does the pet snake eat?
    - grass
    - nuts
    - little things
  3. What does Kate do that is brave?
    - pet the snake
    - tap on the glass
    - get the snake out

Write 10 words from the story.

## Clock Activity - Monday

Fill in the missing numbers on the clock. Can you tell what the time is?

It is \_\_\_\_\_ o'clock.

## Clock Activity - Tuesday and Wednesday

### Making A Clock

Find a long and short stick you can use for the clock hands. They should be a similar size to the hands shown.

### Instructions:

1. Cut out the clock.
2. Find a long and short stick you can use for the hands.
3. Move the hands around the clock and practise telling the time to the hour. You might like to ask a family member to call out a time you can make.

# Digital Clock Worksheet – Thursday

Read the time on the digital clocks. Write the hour number in the box under each clock.

1 o'clock

3 o'clock

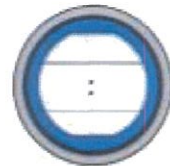

12 o'clock

6 o'clock

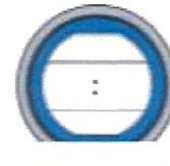

Read the o'clock time under each digital clock. Write the time on the digital clock face.

5 o'clock

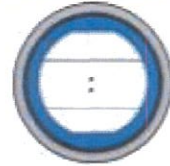

9 o'clock

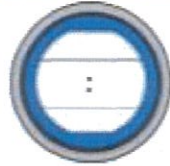

2 o'clock

7 o'clock

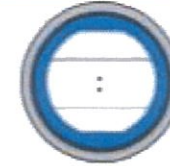

8 o'clock

1 o'clock

4 o'clock

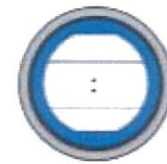

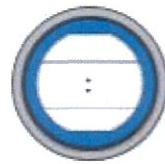

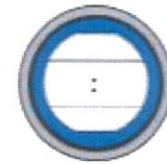

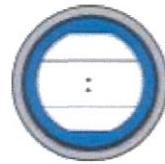

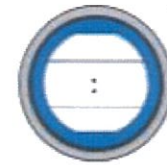

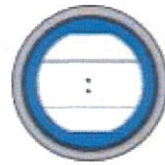

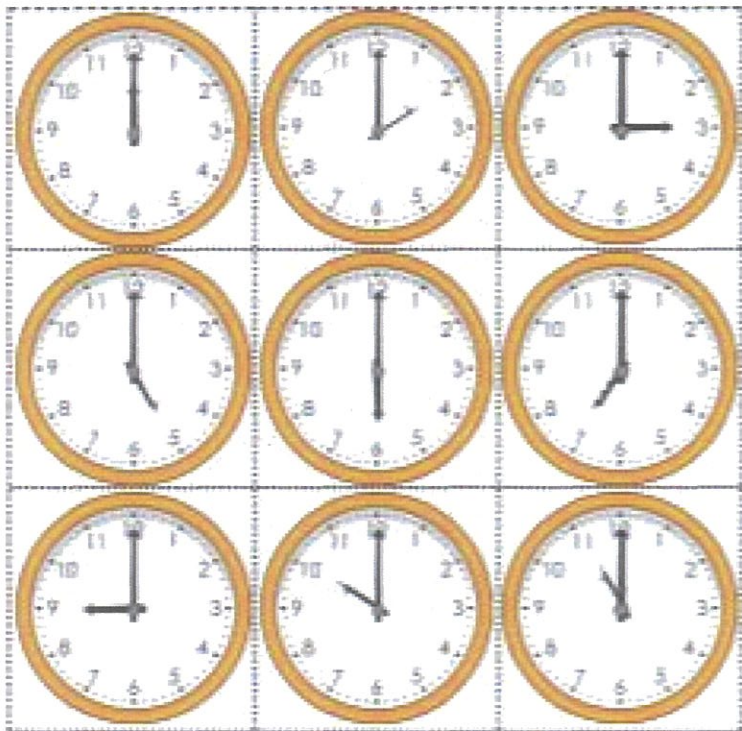

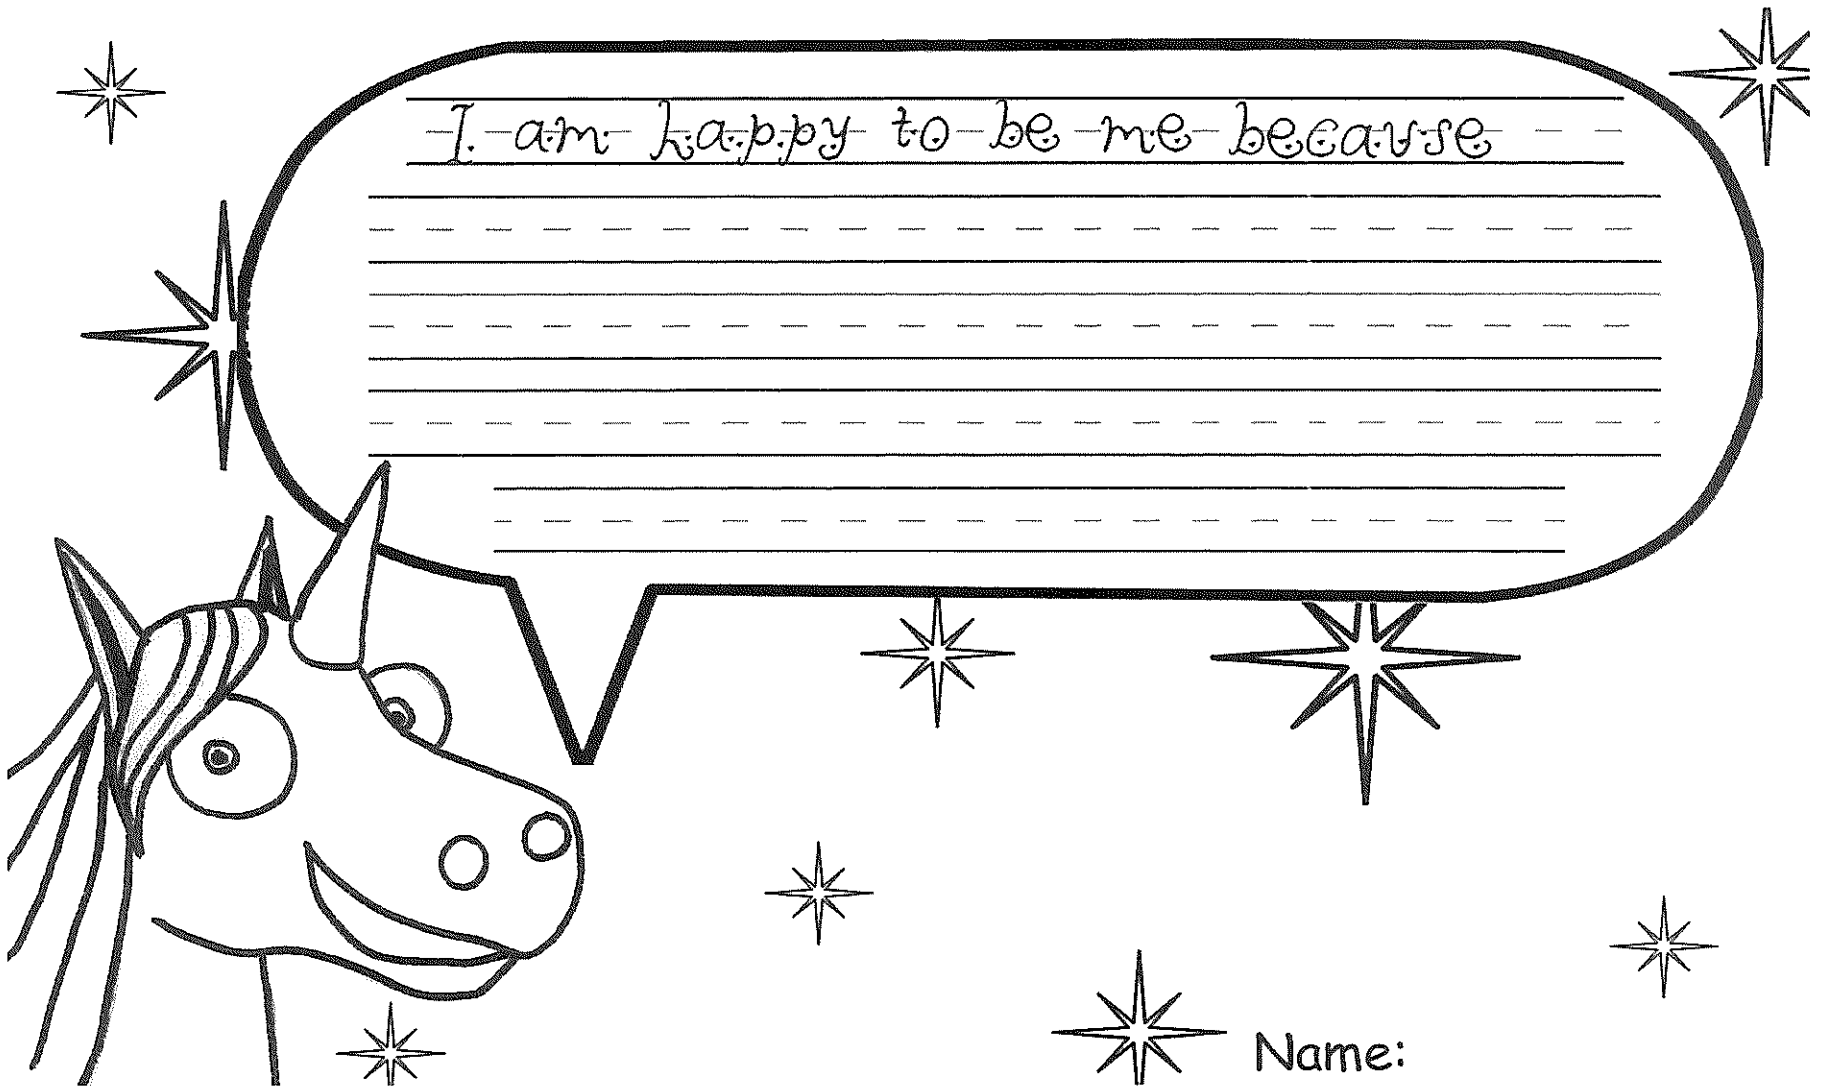

10 o'clock

# Clock Activity - Friday

Read the times on the analog clocks and write them on the digital clocks

I am happy to be me because

Blank handwriting practice lines within the speech bubble, consisting of solid top and bottom lines and a dashed middle line.
