

Colour the object that has **more** volume.

Takes up **more** space.

Colour the object that has **less** volume.

Takes up **less** space.

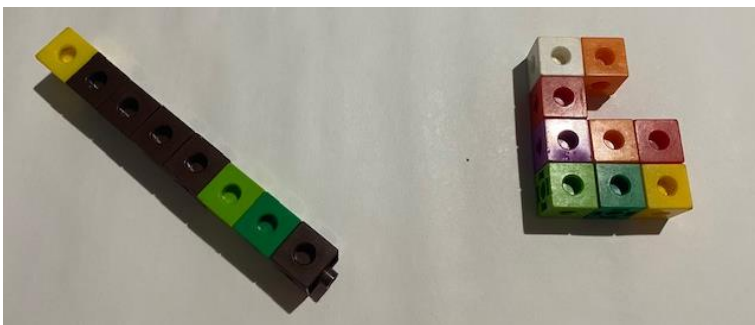

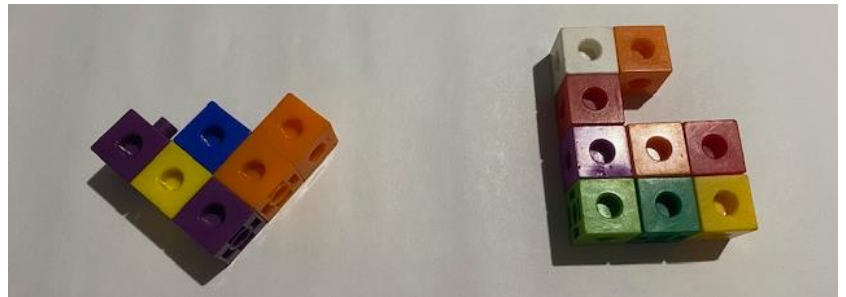

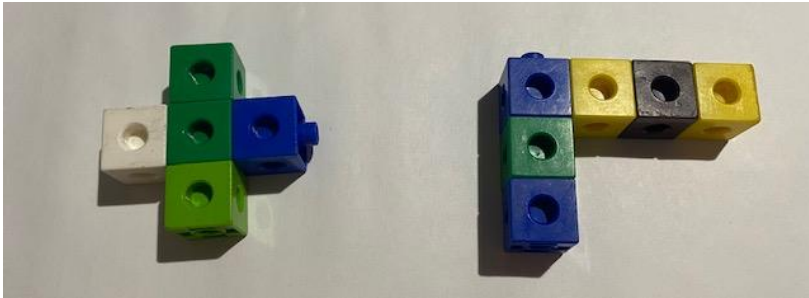

Volume

Recreate each volume. Label which volume has more and which has less when compared to the other. Example:

more

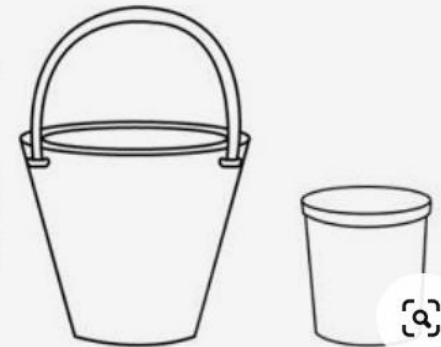

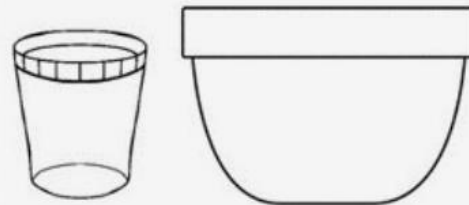

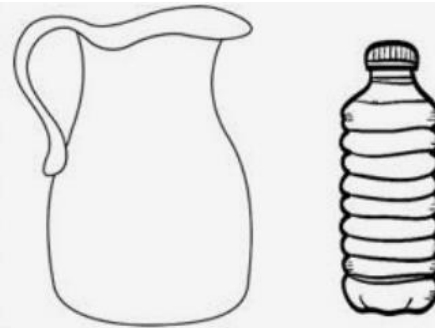

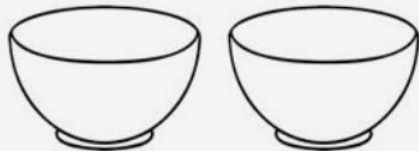

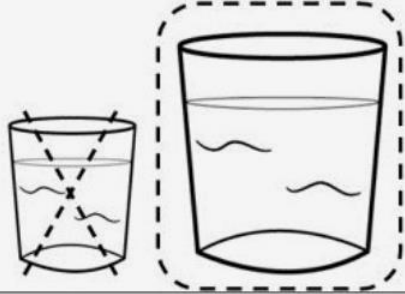

less

Name _____

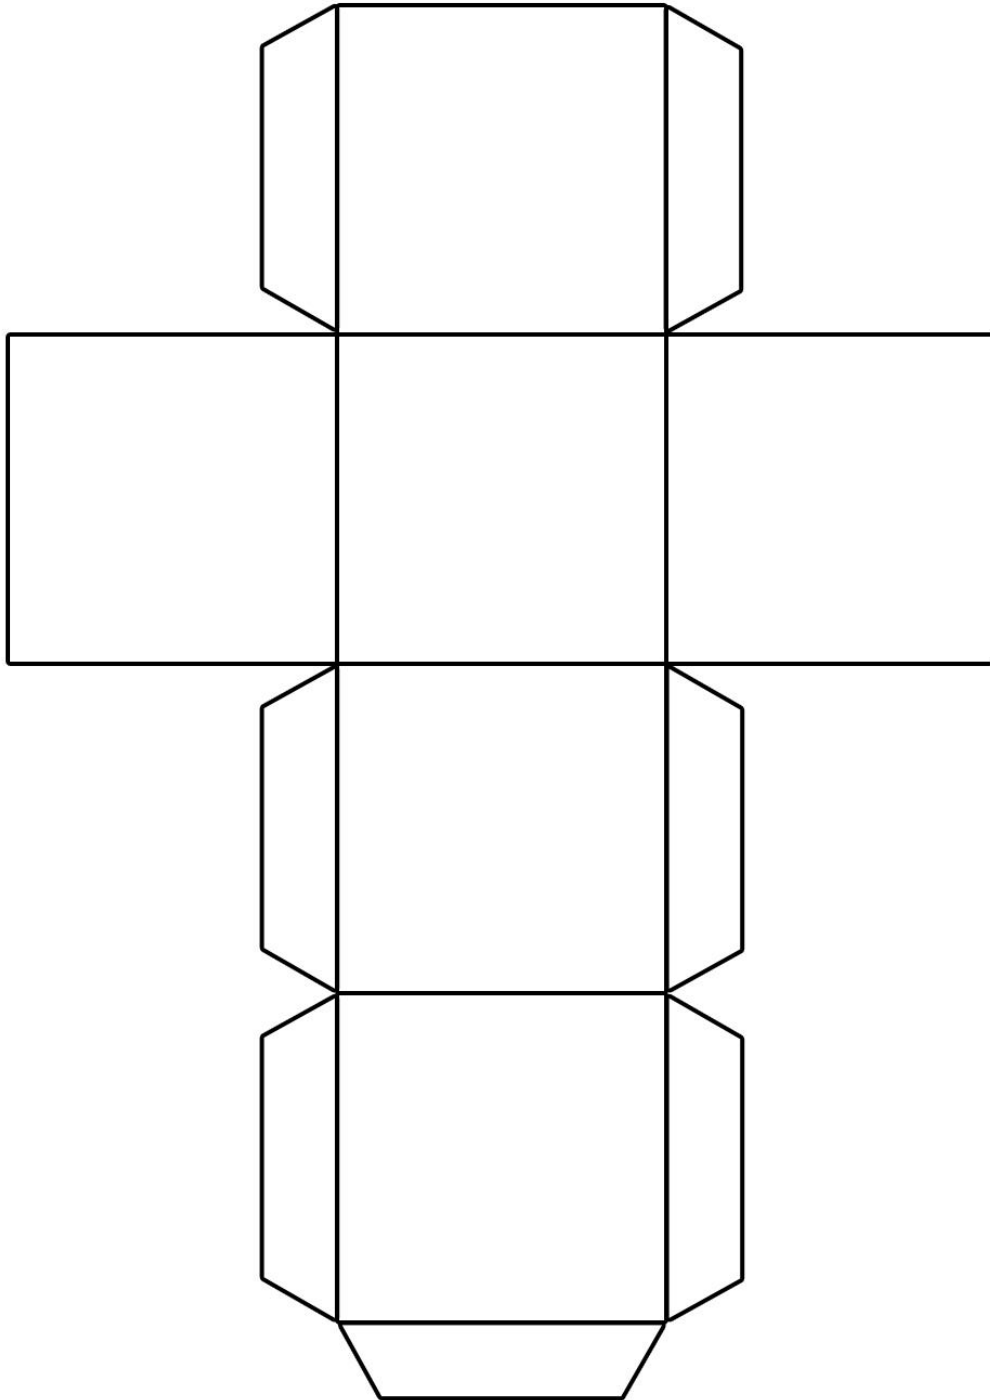

Compare Capacity

Compare the two containers. Circle the container that would hold more. Draw an X on the container that would hold less. Circle both of the containers if they would hold the same amount.

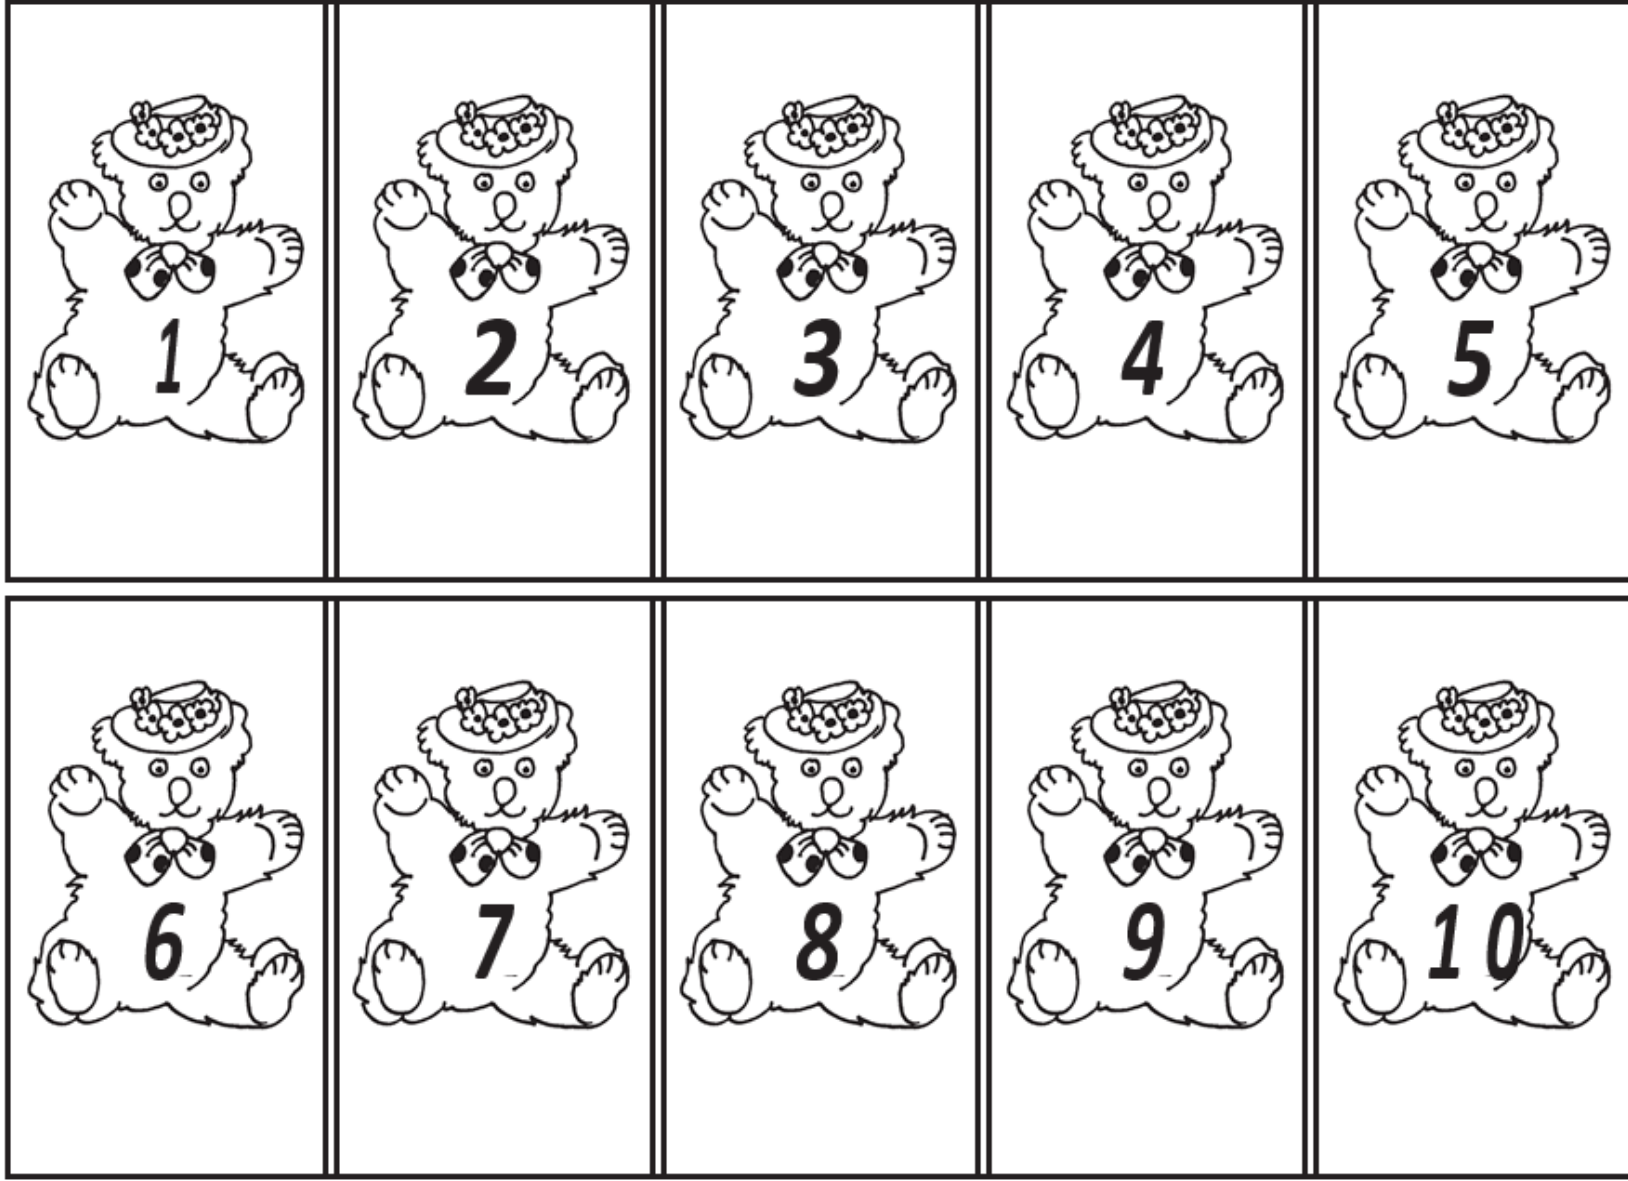

Net of a cube for Maths Warm Up Activities.

Draw the numbers 1–6 in each square, carefully cut out the net, fold the lines and tape the edges together.
