Stage 3 Great Aussie Bush Camp – 7th September to 9th September 2022

And the countdown is on! This time next week we will be on our way to The Great Aussie Bush Camp. The bus will be departing school on Wednesday 7th September at approximately 9:30am and will be returning to school Friday 9th September at approximately 2:15pm.

Remember to check that you have packed everything that is on the attached gear checklist and all items are clearly labelled. Please ensure that **all** medications (prescription/asthma medication, Panadol, Melatonin, Travel sickness, Antihistamine etc) have a **chemist label or webster pack with name, dosage and time of administration**. We are only able to administer medications to your child that have been labelled. On the morning of camp, parents will be required to hand/sign in any medication to Ms Dorn and Ms Scott. They will be under the cola area from 8:30 onwards.

Any souvenir money should be placed in a clearly labelled envelope and handed to your child's teacher before boarding the bus.

No phones/electronic items, aerosol cans and jewellery are allowed at camp.

The activities outlined are subject to change and are dependent on the weather. At this point the weather prediction is raining and a top of 21 degrees. Packing garbage/plastic bags for wet and muddy clothes is highly advisable.
