Dear Parents/Carers

As part of student wellbeing, we will have the opportunity to observe, interact with and touch a therapy dog in the classroom/playground setting.

Students will be supervised by an adult at all times while interacting with the dog and the Risk Assessment provided by BAPS will be adhered to. Students will be required to wash their hands before and after handling the dog and all due care will be taken to ensure their safety.

Please complete and return the form below indicating if you would NOT like your child to participate in this activity.

Thank you

Kylie Dorn
